REPAIR

Naturally healthy skin starts with repairing any imbalances. Rosacea, pigmentation, enlarged pores, roughness and uneven skin tone, frequently indicate an underlying imbalance. Acne, inflammation, flakiness and congestion are additional imbalances successfully treated at The Kean Center.

Purify

Accelerate the healing of acne, blemishes, breakouts or congestion with this powerful detoxifying treatment that deeply expunges and purifies pores.

Suggested Enhancement: Sulfur Masque

45 minutes, \$70

1 hour, \$85

1 hour 15 minutes, \$100

Illuminate

Photodamage, pigmentation, uneven tone and rough texture all benefit from this gentle but thorough exfoliating treatment, resulting in greater clearness and lucidity.

Suggested Enhancement: Microdermabrasion

1 hour, \$85

1 hour 15 minutes, \$100

1 hour 30 minutes, \$115

Soothe

Skin that is inflamed or symptomatic is calmed by the infusion of healing herbal extracts and the application of a soothing masque that cools as it diminishes redness.

Suggested Enhancement: Naturopathic Algae Masque

1 hour, \$85

1 hour 15 minutes, \$100

1 hour 30 minutes, \$115

At the Kean Center, each of our select skin treatments is exclusively designed to target a specific concern and effect maximum response. In designing customized plans, several treatments from one or more categories may be implemented.

Select Treatments

CLARIFY

Pre-adolescent and teenage skin is particularly prone to imbalances. Clients under the care of a dermatologist, Accutane patients, and those not currently receiving medical care for acne, benefit from these treatments concentrated on clarifying the complexion.

Heal

This treatment is designed to increase the efficiency of prescription acne medications, such as topical antibiotics and retinoids, and accelerate skin's return to health.

Suggested Enhancement: Sulfur Masque

1 hour, \$85

1 hour 15 minutes, \$100

1 1/2 hour, \$115

Relieve

Specific to Accutane patients, this treatment relieves dry and peeling skin by replenishing moisture loss and soothing inflammation.

Suggested Enhancement: Contour Masque

1 hour, \$85

1 hour 15 minutes, \$100

1 hour 30 minutes, \$115

Improve

Acneic skin not currently being treated with prescription medicine can be greatly improved when cared for with a customized treatment plan designed to naturally restore skin's health.

Suggested Enhancement: Microdermabrasion

1 hour, \$85

1 hour 15 minutes, \$100

1 hour 30 minutes, \$115
